

MAKE A DONATION.

In the last 3 years The Royal Yorkshire Regiment Benevolent Trust has disbursed £300,000 in Benevolence.

Annually around 150 separate grants have been made to those soldiers and their families of the Regiment, and all our antecedent regiments, who have found themselves in difficulty or need. This costs in the region of £100,000 per year to sustain.

Whilst the number of cases being supported remains fairly constant, the cost of supporting these is rising.

We are kindly asking therefore whether you would consider making a contribution to the Benevolent Trust, either in the form of a regular payment, perhaps like you used to when you were serving, or as a one-off donation, or as a legacy for the future. All donations, of whatever size, can make a huge difference to the lives of those who need our help.

If you feel able to support the Regiment, then please complete the attached form(s) and return them to Regimental Headquarters. Alternatively, you can make an electronic transfer.

Thank you in advance for your generous support.

THE ROYAL YORKSHIRE REGIMENT BENEVOLENT TRUST.

FORTUNE FAVOURS THE BRAVE.

I am writing to humbly request financial support on behalf of the child of a regimental family who have been confronted with a devastating diagnosis and are preparing to embark on an arduous journey of therapy. The gravity of this situation cannot be overstated, and it has already had a profound impact.

Unfortunately, the severity of their child's condition will lead to a situation where the service member's spouse will need to leave her job to provide full-time care and support to their child during the therapy process. This decision, while undoubtedly necessary for the well-being of their child, will place a significant financial burden on the family, adding to the emotional and psychological strain they are already experiencing.

In an effort to alleviate the financial stress and allow the family to focus on the critical care and well-being of their child, we are seeking financial support. The funds requested will be primarily used for travel expenses to and from the hospital for treatment sessions, as well as to cover essential living costs, including food and other basic necessities. By providing this financial assistance, we hope to offer the family one less problem to think about during this unimaginably challenging period.

Dear Sir

I am writing to express my deepest gratitude for the unreserved contribution and unwavering support that I received during an exceptionally challenging period when I lost my mother.

The compassion and support extended by The Royal Yorkshire Regiment were a source of immense comfort to my family and me. The regiment's commitment to duty and each member's genuine concern were beyond anything I could have anticipated.

The loss of a loved one is a challenging experience, and The Royal Yorkshire Regiment played a crucial role in easing the burden that came with it. In times of sorrow, the strength of the community and the bonds we share become more apparent. The Royal Yorkshire Regiment has exemplified these qualities, and I am sincerely grateful for your support during this challenging chapter of my life.
